Class Will Open in Union Academy on the 24th Inst., and Will Continue for Six Weeks—An Excellent Chance to Colored Teachers.

The Board of Public Instruction of Alachua county, being desirous of giving the colored teachers and colored students of the public schools of the county a more efficient service, has made an appropriation of all the board funds to stand for the conducting of a six weeks' normal class in this city, at the Union Academy. J. L. Kelley is desirous of having all teachers holding second and third-grade certificates attend. The normal will be conducted at the Union Academy, and Dr. Kelley has issued the following circular letter:

To the Colored Teachers of Alachua County:

The Board of Public Instruction has kindly made a small appropriation and has ordered me to hold a six weeks' normal class for the purpose of preparing the colored teachers for their work, and also enabling those who desire teaching to stand the June examination. I have appointed Prof. T. E. DeBose to conduct this normal and to open the same on the 24th inst. at the Union Academy in this city.

I insist that all teachers holding second and third-grade certificates avail themselves of this opportunity of improving their condition. No one under the age of eighteen will be admitted. Evidence of good character will be required.

T. E. DeBose will be authorized to collect \$1 for each person attending the normal, which must be paid in advance.

Hoping that it may be well attended and prove profitable, I am,

Very respectfully,
J. L. KELLEY,
"Superintendent."

Thousands Have Kidney Trouble and Never Suspect It.

How to Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Ringwood, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Ringwood, N. Y.

Cheated Death.

Kidney trouble often ends fatally, but by choosing the right medicine E. H. Wolfe of Bear Grove, Iowa, cheated death. He says: "Two years ago I had kidney trouble, which caused me great pain, suffering and anxiety, but I took Electric Bitters, which effected a complete cure. I have also found them of great benefit in general debility and nerve trouble, and keep them constantly on hand, since, as I find they have no equal." All druggists guarantee them as life.

CORONER'S JURY FIXES BLAME

Death of Alabama Miners Charged to the Operators of Mine.

Birmingham, Ala., April 10.—The coroner's jury, which has been investigating the Virginia mine disaster in which 111 persons lost their lives returned a verdict yesterday which charges four mine operators with wilful and criminal negligence.

The jury returned a separate verdict in the case of each man killed in the mine, which sets forth that the deceased came to his death by explosion in the Virginia mines, Jefferson county, Alabama, on the 20th day of February, 1905, said explosion was a dust explosion caused by the collection of dust that was allowed to accumulate in said mines of Alabama Steel and Wire company and their agents, although the state mine inspector and his assistants had repeatedly warned them of the dangerous condition of the mine over a year prior to the explosion, and that the said John Brown came to his death in an unlawful manner by the wilful and criminal negligence of Everett T. Schuler, Geo. H. Schuler, Amos W. Reed and Sam Hartly, operators, managers and mine foreman of said mine, against the peace and dignity of the state of Alabama.

No Dispensary for Asheville.

Asheville, N. C., April 10.—Approximately three-fourths of those casting their ballots at today's election piled up an overwhelming majority against the establishment of a municipal dispensary in Asheville to replace the open saloons. The side of the majority was a surprise to the leaders of each side. The actual majority was 529. The campaign was one of the most bitter in the history of the city. The loss of the prohibition vote upon which the dispensary advocates had counted proved a death blow.

Periodic Pains.

Dr. Miles' Anti-Pain Pills are a most remarkable remedy for the relief of periodic pains, backache, nervous or sick headache, or any of the distressing aches and pains that cause women so much suffering.

As pain is weakening, and leaves the system in an exhausted condition, it is wrong to suffer a moment longer than necessary, and you should take the Anti-Pain Pills on first indication of an attack.

If taken as directed you may have entire confidence in their effectiveness, as well as in the fact that they will leave no disagreeable after-effects.

They contain no morphine, opium, chloral, cocaine or other dangerous drugs.

"For a long time I have suffered greatly with spells of backache, that come almost more than I can endure. These attacks come on every month, and last two or three days. I have never been able to get anything that would give me much relief until I began the use of Dr. Miles' Anti-Pain Pills, and they always relieve me in a short time. My sister, who suffers the same way, has used them with the same results." MRS. PARK, 731 S. Michigan St., South Bend, Ind.

Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails he will return your money, 25 cents. Never sold in bulk. Miles Medical Co., Elkhart, Ind.
